When finished with leather it has leather all the way around.

Please call or email to check on finishing timelines and deadlines, due to COVID closures and extremely high volume of needlepoint items being stitched and finished all finishers are experiencing higher than normal time frames! Unfortunately at this time no deadlines can be guaranteed, we always try our hardest to accommodate the best we can!

Leather is \$108 for finishing and fabric can range anywhere from \$75-\$100 depending on the size and intricacy.
