## Flat Key Chain Finishing Form

### Total Length:

If you bought a canvas from us, you do not need to worry about this section. Your canvas will need to be either 3.5" or 4" long. We need plain background 1" before your design begins and 1" after the design ends. We need this plain background area for the leather tabs to be properly anchored.

### Key Chain Width:

Your canvas will need to be either 21 or 23 rows wide. Your key chain MUST have a finishing stitch unless indicated otherwise when you purchased from us.

### Finishing Details:

Our Finisher glues and stitches your canvas to the finest full grain leather giving it the most durable and quality finish available. We will block your canvas for you before sending to our finisher.
