One sided clutches will have needlepoint on the front side and fabric on back and inside. Double sided clutches will have needlepoint on front and back side with picked fabric along the gusset and inside.

Please call or email to check on finishing timelines and deadlines, due to extremely high volume of needlepoint items being stitched and finished all finishers are experiencing higher than normal time frames! Unfortunately at this time no deadlines can be guaranteed, we always try our hardest to accommodate the best we can! Please call for estimate since each of these styles are all very different, but are based upon size and intricacy.

Please refer to our website under finishing gallery for examples of our most popular finishing styles. There is an additional 25% charge on canvases not purchased from us.
