

The Eye of The Needle Dog Leash Finishing Form

Total Length:

If you bought a canvas from us, you do not need to worry about this section. We need plain background 2" before your design begins and 2" after the design ends. We need this plain background area for the leather tabs to be properly anchored.

Leash Width:

Your canvas will need to be 21 - 23 rows wide. Your leash needs a finishing stitch. If you've done extra rows in lieu of a finishing stitch (2 rows on top and bottom) this will be considered a roll over.

Finishing Details:

Our Finisher glues and stitches your canvas to the finest full grain leather giving it the most durable and quality finish available. We will block your canvas for you before sending to our finisher.
