The Eye of The Needle Loop Key Chain Finishing Form 3-6 Week Finishing Time

(For most accurate time, please call)

Total Length:

Your canvas will need to be any size from 7" to 12" long. We need plain background 0.75" before your design begins and 0.75" after the design ends, unless a repeating pattern. We need this plain background area for the leather tabs to be properly anchored.

Key Chain Width:

Your canvas will need to be either 21 - 23 rows wide on 18 Count Canvas and 13 - 15 on 13 Count Canvas. Your key chain needs a finishing stitch. If you've done extra rows in leu of a finishing stitch (2 rows on top and bottom) this will be considered a roll over.

Finishing Details:

Our Finisher glues and stitches your canvas to the finest full grain leather giving it the most durable and quality finish available. We will block your canvas for you before sending to our finisher.
